FISCAL ANALYSIS

Assumptions:

1. This bill requires all sex offenders (as defined in 46-23-502, MCA) on probation to comply with sex offender treatment and to pay for the treatment costs. If offenders are not able to pay, the costs are to be covered by the Department of Corrections (DoC). Sex offenders on probation are currently required to attend and pay for sex offender treatment. The DoC currently pays the cost of sex offender treatment for all sex offenders on probation if they are unable to pay, therefore this bill will have no fiscal impact to the State of Montana.
